

<p>SELF-CLOSING HARDWARE AND LATCH INSPECTION REPORT</p>

RETURN COMPLETED FORM TO:

MIAMI BEACH FIRE PREVENTION BUREAU
2300 PINETREE DRIVE
MIAMI BEACH, FLORIDA 33140
FAX: 305-673-1085

ATTENTION INSPECTOR _____

All doors leading to a stair enclosure or a horizontal exit, and all doors opening into an enclosed corridor shall be equipped with approved self-closing hardware and latches to keep the door closed and prevent the spread of smoke and fire.

All doors required to have self-closing hardware and latches located at the following address have been inspected and/or tested by the building maintenance engineer for proper operation as required by the adopted code/standards at the time of installation and are: (circle one below)
